Product Number: 92

ES/VFR Primer

DESCRIPTION:

ES/VFR Primer is a water-based clear primer to apply over existing painted or varnished surfaces before applying other coatings.

APPLICATION & COVERAGE:

Note: It is important to ensure the moisture content of the wood substrate is below 12% / 14% before application and the application must be made in a warm, dry area. Ensure the wood is dry before application.

ES/VFR Primer can be applied by brush or roller. Coverage is 10-12m² per litre.

AFTER USE & STORAGE:

Use warm water to clean tools. Containers must be kept tightly closed and stored at a minimum temperature or 5°C and a maximum temperature of 35°C. Protect from frost.
